

TDHI STARTUP  
RECOVERY AND  
DEVELOPMENT  
FUND

## Activity 31 03 2023

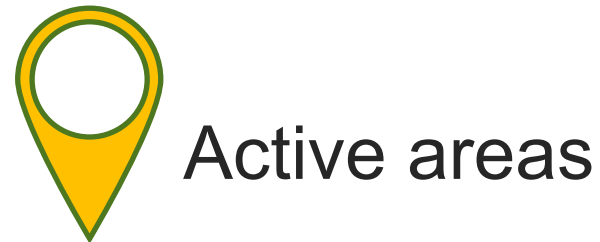

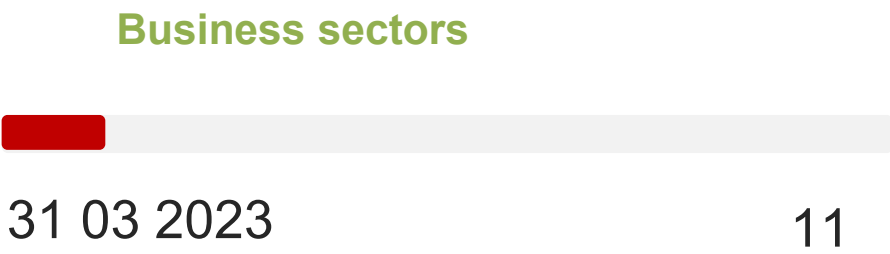

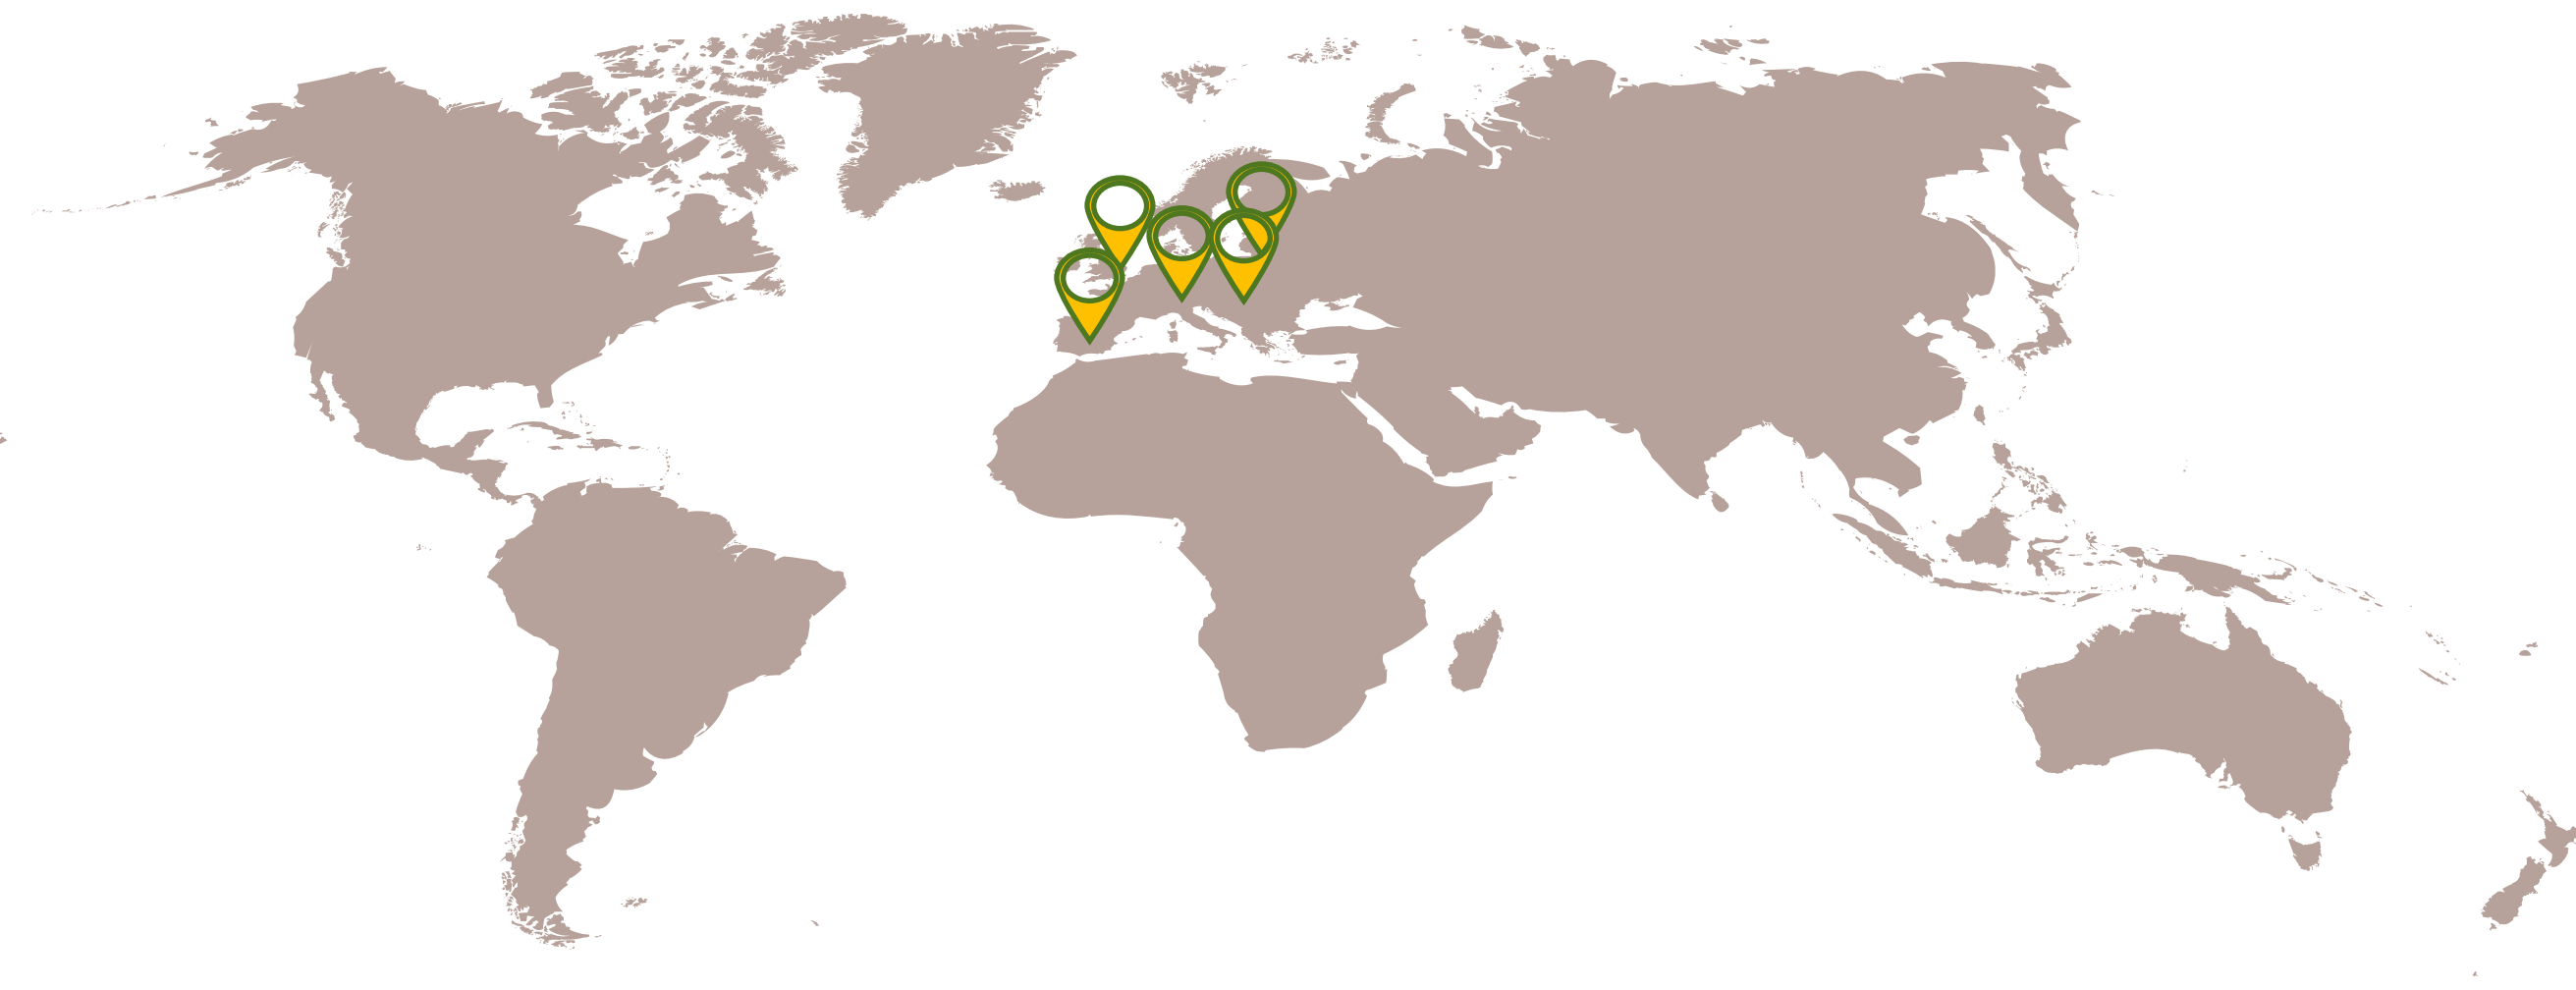

The fourth operating month of 2023 begins today. We are evaluating further opportunities to increase the availability of the TDHI FUND, which will be used to support companies and projects in which the TDHI GROUP decides to invest.

Reading our site and the international proposal documents could be very useful. We have resources, skills, and professionals to develop projects or companies we select carefully.
